- BSc (Hons) Computing

SLC (School Level Certification)

2020 – 2022 | Dharan-14, Sunsari, Nepal

--Dharan Adarsha Boarding School 

NEB (National Examinations Board)

- Science

SEE (Secondary Education Examination)

2019 – 2020

--Shree Budhuk Secondary School 

Chaubise-7, Dhankuta, Nepal

NEB (National Examinations Board)

PROJECTS

Harmonix

2024 – 2024

Technology Used

Programming Language

- JavaScript
- Java

Server Side Technology

- JSP Servlet

Database

- MySQL

Key Features

- Registration and Login
- Admin Panel (Adds and Deleting Products, Editing Users)
- User Profile (user can edit Profile)
- Cart and Place order feature
- Logout feature

PDF_Merger

2023 – 2023

Technology Used

Programming Language

- **JavaScript (Node.js)**

Framework

- **Express.js**

Key Features

- Combine multiple PDFs to Single PDF

Blog

2024 – 2024

Technology Used

Programming Language

- **JavaScript (Node.js)**

Framework

- **React.js**
- **Express.js**

Database

- **MongoDB**

Key Features

- Registration and login
- Password Encryption
- Adding and commenting on Blogs
- Logout feature

Rental_py

2023 – 2023

Technology Used

Programming Language

- **Python**

Key Features

- View Instrument
- Rent Instruments
- Returning Rented Instruments
- Generate Invoice

SKILLS

Technical Skills

- Programming Language
 - JavaScript (Node.js), Java, Python
- Framework
 - React.js, Express.js
- Database
 - MongoDB, MySQL
- Operating System
 - Windows OS, Linux OS
- Application/Software
 - VS Code, Eclipse, Docker

Soft Skills

- Presentation (MS PowerPoint)
- Documentation (MS word)
- Draw.io
- Communication
- Time Management
- Hardworking and enthusiast
